LETTER FROM THE BOARD

GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the general meeting of the Company held on 15 June 2012, the Directors were granted (a) a general unconditional mandate to allot, issue and deal with Shares not exceeding 20% of the aggregate nominal amount of Shares in issue as at the date of passing the relevant resolution at such general meeting; (b) a general unconditional mandate to exercise all the powers of the Company to repurchase Shares with a total nominal value of not more than 10% of the total nominal amount of the Shares in issue as at the date of passing the relevant resolution at such annual general meeting; and (c) the power to extend the general mandate mentioned in (a) above by an amount representing the aggregate nominal amount of the Shares repurchased by the Company pursuant to the mandate to repurchase Shares referred to in (b) above.

The above general mandates will expire at the conclusion of the Annual General Meeting. At the Annual General Meeting, the Shareholders will be asked to consider and, if thought fit, to approve the grant of the General Mandate to enable the Directors to exercise the powers of the Company to allot, issue and deal with new Shares not exceeding 20% of the aggregate nominal amount of the Shares in issue as at the date of the passing of the resolution. As at the Latest Practicable Date, the number of Shares in issue was 3,077,200,000. Subject to the passing of the relevant resolution, the maximum number of new Shares (assuming that there will be no change in the number of Shares in issue between the Latest Practicable Date and the date of the Annual General Meeting) to be issued under the proposed General Mandate is 615,440,000.

Ordinary resolutions will also be proposed at the Annual General Meeting for the grant of the Repurchase Mandate to enable the Directors to exercise all the powers of the Company to repurchase Shares on the Stock Exchange with a total nominal value of not more than 10% of the total nominal amount of the Shares in issue as at the date of the passing of the resolution and to extend the General Mandate to cover Shares repurchased by the Company.

The General Mandate and the Repurchase Mandate will expire: (a) at the end of the Company's next annual general meeting following the Annual General Meeting; (b) at the end of the period within which the Company is required by law or the Articles to hold its next annual general meeting; or (c) when varied or revoked by an ordinary resolution of the Shareholders in a general meeting prior to the next annual general meeting of the Company, whichever is the earliest.

An explanatory statement containing information necessary to enable the Shareholders to make an informed decision on the proposed resolution for the grant of the Repurchase Mandate as required by the Listing Rules is set out in Appendix I to this circular.

Jiangnan Group Limited
Rui Fubin
Chairman and chief executive officer

This Appendix serves as an explanatory statement, as required by the Listing Rules, to provide requisite information to you for your consideration of the Repurchase Mandate.

1. Listing Rules relating to the repurchase of Shares

The Listing Rules permit companies whose primary listing is on the Main Board of the Stock Exchange to repurchase their shares on the Main Board of the Stock Exchange subject to certain restrictions. Among such restrictions, the Listing Rules provide that the shares of such a company must be fully paid up and all repurchase of shares by such a company must be approved in advance by an ordinary resolution of the shareholders, either by way of a general mandate or by specific approval of a specific transaction.

2. Share capital

As at the Latest Practicable Date, the Company had 3,077,200,000 Shares in issue.

Subject to the passing of the resolution for the grant of the Repurchase Mandate (resolution numbered 4(B) as set out in the notice convening the Annual General Meeting contained in this circular), and on the basis of 3,077,200,000 Shares in issue and assuming that no new Shares are issued or repurchased by the Company prior to the Annual General Meeting, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 307,720,000 Shares.

3. Reasons for the repurchase

The Directors believe that it is in the best interests of the Company and its Shareholders for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements of the Company at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company and its Shareholders.

4. Funding of repurchases

Repurchases must be paid out of funds legally available for the purpose and in accordance with the Articles, the Companies Law and other applicable laws of the Cayman Islands. A listed company may not repurchase its own shares on the Main Board of the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Cayman Islands law, any repurchases by the Company may only be made out of profits of the company or out of the proceeds of a fresh issue of shares made for the purpose or, if authorised by the Articles and subject to the Companies Law, out of capital. Any premium payable on a redemption or purchase over the par value of the shares to be repurchased must be provided for out of profits or the share premium account of the Company or, if authorised by the Articles and subject to the Companies Law, out of capital.

5. Impact of repurchases

On the basis of the current financial position of the Company and taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate were to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2012, being the date to which the last audited accounts of the Company were made up. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

6. Share prices

The highest and lowest prices at which the Shares have been traded on the Stock Exchange from 20 April 2012 (being the date on which the Shares first commenced dealings on the Stock Exchange) to the Latest Practicable Date are as follows:

	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2012		
April	0.74	0.605
May	0.725	0.625
June	0.735	0.69
July	0.82	0.705
August	1.34	0.755
September	1.40	1.05
October	1.385	1.095
November	1.58	1.32
December	1.48	1.34
2013		
January	1.39	1.19
February	1.38	1.18
March (up to the Latest Practicable Date)	1.51	1.29

7. Effect of Hong Kong Code on Takeovers and Mergers and minimum public holding

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Power Heritage Group Limited^(Note) was the controlling Shareholder, holding approximately 71.72% of the existing issued Shares.

Note: Power Heritage Group Limited is owned as to 83% by Mr. Rui Fubin and 17% by Mr. Rui Yiping.

The Directors are not aware of any Shareholder or group of Shareholders acting in concert, who may become obliged to make a mandatory offer under Rule 26 of the Takeovers Code as a consequence of any purchases pursuant to the Repurchase Mandate.

The Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in the number of Shares in the hands of public falling below the prescribed minimum percentage of 25%.

8. Shares repurchase made by the Company

The Company had not purchased any of the Shares (whether on the Stock Exchange or otherwise) in the previous six months preceding the Latest Practicable Date.

9. General

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates currently intends to sell any Shares to the Company or its subsidiaries if the Repurchase Mandate is approved at the Annual General Meeting and is exercised.

The Directors have undertaken to the Stock Exchange that they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

No connected person (as defined under the Listing Rules) of the Company has notified the Company that he/she/it has a present intention to sell Shares to the Company, or has undertaken not to do so if the Repurchase Mandate is approved by the Shareholders.

The following sets out the information of the Directors, who will hold office until the Annual General Meeting pursuant to Article 83(3) of the Articles or retire from office of the Directors by rotation at the Annual General Meeting pursuant to Article 84(1) of the Articles and each of them, being eligible, offer themselves for re-election.
